How this gift works

Message us with the city and a good time for a fifteen-minute walk-through. We will confirm a date for the First Visit.

This certificate covers the First Visit for a home up to the size shown. If the home is larger, the difference is quoted at the walk-through. If it is smaller, the remainder goes toward the next visit.

Inside the oven and inside the refrigerator are add-ons, quoted at the walk-through.

For homes within about thirty minutes of Hutto. If we are not able to take on the home, the full amount goes back to the giver.

This certificate does not expire.
